### *From the President's Corner*

I hope all of you are planning to attend our member appreciation day at Dallas Bead Society. We will have food and beading and just spend a Saturday getting to know each other better. I'm so sorry that I won't be able to be there – my vacation is interfering this year. I will be back in time for our September 30 meeting (which is actually our October meeting).

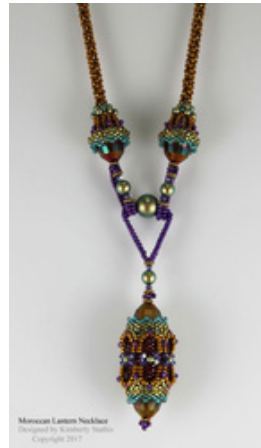

Jane Ellie is teaching our project for membership appreciation – a cute pair of earrings that make up quickly – great for gifts for the upcoming holidays.

Remember – for the Kim Stathis classes coming up, if you want a kit, please send the money by check or charge for what you want. It must be paid in advance otherwise Kim will not bring it. She will have a trunk show each day at 4:00 p.m., so plan to stop by and shop for her other kits. She will not be selling her Marquise bracelet kits and Moroccan Lantern pendant kits. Her website is [www.beadsandi.com](http://www.beadsandi.com).

Gina Whitlock, President.

## Kim Stathis Workshops – October 7-8, 2017

Kim Stathis will present two workshops, the first on Saturday, October 7, where she will teach the Moroccan Pendant Necklace and the Marquise bracelet on Sunday, October 8. The price for the classes is \$75 each or \$140 for both classes. The classes are both full but if you wish to attend, please let Joyce Standige know and she will add you to the wait list. Also, if you are registered for the class and want to purchase a kit, you need to pay for it by the September 9. If you can't be at the meeting in September, mail your check to Joyce immediately. Kim is not bringing extra class kits. If you have additional questions, contact one of the board members.

## DBS Members – Check This Out

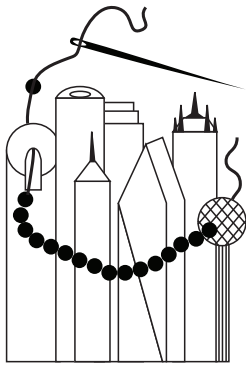

Michelle Owsley brought to our attention an event that DBS members might be interested in. The Portland Bead Society is holding a PBS 30th anniversary bead competition. The winner will be announced at their November general meeting on November 28, 2017. For details of this event, see the bead society's website <http://www.portlandbeadsociety.org>. The link to the contest details is on the home page of the website.
