From the President's Corner

We just returned from El Paso where Charles and I went to see his new grandson. It was a long drive but we came back just in time for our meeting, where Chris Overberg will teach us a red, white and blue bracelet. It may be too late to wear for July 4, but I'm sure you'll be finished by Labor Day.

To those who offered comfort and thoughts about my daughter, thank you so much. She's doing better - the horrible pain has gone away. We are so thankful for that.

It is amazing how quickly a third of the summer has gone by. As you plan this season of hotness, please plan to spend some time indoors with us at our meetings.

If you are willing to give of your time to the Dallas Bead Society, please give some thought to becoming a board member for the 2019 term. We need new thoughts, ideas and plans to give vibrancy to the society. We need to keep in mind that this is a volunteer organization and without volunteers, we cannot exist.

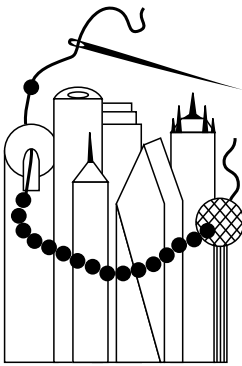

See you at the meeting.

September Class with Liisa Turunen

We are planning a two-day workshop with Liisa Turunen in September. She has some very beautiful designs. She will also have a trunk show and we encourage all of our members to shop with her. Go to her website and check out her designs, www.liisaturunendesigns.com. We will provide additional information soon.

Stay tuned!
