## November Project

This month Rolanda Patterson is teaching a new project. Details were already published on the Yahoo site as well as Facebook but here are the details again in case you haven't seen them.

The project calls for a braided gimp trim, which Rolanda will have in several colors in yard lengths for \$3. It also uses 11's and 8's. If a fancier trim rope is desired the 8's could be substituted with bicones or fire polish (2-4 mm). A narrower trim uses smaller beads. This is a photo of the trims she has available. Please note that some are narrow and some are wider.

This is a very easy project and makes a nice embellished rope.

*Treasurer: Vivian Greenwell*

*Secretary: Michele Owsley*

*Advisors: Ruby Bailey, Susan Byrd and Patty Cox.*

Do you know of any events to add to our calendar? We are looking for events to share with our members. Contact Ruth Ann Miller to update events.

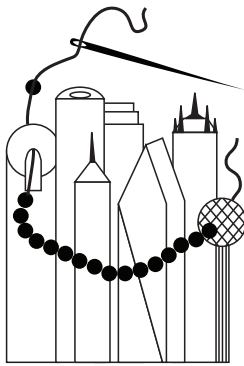

*From the President's Corner – Gina Whitlock*

I hope everyone can attend the November meeting where we will vote for new officers for the Board. I have enjoyed serving but the organization needs new ideas, new creative voices and new energy. I think our nominations are the best ever so I urge you to attend to vote.

Also, Ralonda Patterson will be teaching. It's always fun to have Ralonda back with us. She stays so busy that she doesn't get to attend that often.

Kathy King will lead a workshop next Spring and we will have yummy samples to look at, touch, feel and fondle at this November meeting. I look forward to seeing everyone next week.
