For the love of beads notes”

- Currently we have no meetings scheduled. No one knows when Texas will let more than 10 people meet. We can resume monthly meetings at that time. If not at CCY then outside for a picnic or another meeting location. We will have a huge celebration and it will be great to see everyone again safely. Teresa
- In the last few weeks, we've noticed that several members have not only been showing the before/in progress/after photos of their UFO projects for the Challenge on our Facebook page but also adding pictures of other projects they are currently working on or have completed.
 - Please, keep them coming.
- Since we can't meet in person, this is a great way of keeping in touch, you might even post a selfie so we can see you too! You could also post any beady thing like beady news, useful tips, helpful hints, or anything that you think the group might be interested in, just like being at a meeting and sharing things with the group at your table. We miss all y'all and can't wait for the day when we can meet again! Dianne Davis
- Monthly bead classes will be rescheduled. Thank you - Cindy V and Lori C for agreeing to teach us on a later date.
- Fusion Beads is closing. ☹️ Fusionbeads.com
- Online meetings are being explored. Zoom looks like a good way to go. We checked it out and will be sending information out at a later date for our first online chat. If you have any ideas or suggestions, send them to me. I look forward to staying in touch with all of you.

Take Care, Be Well.
