## For the love of beads notes

- Currently we have no meetings scheduled. No one knows when Texas will let more than 10 people meet. We can resume monthly meetings at that time. If not at CCY then outside for a picnic or another meeting location. We will have a huge celebration and it will be great to see everyone again safely.
  - I did hear from our friend at CCY, Brian, he still has no news when the facility will reopen for meetings. Safety first, fun later. We can live with it. No pun intended.
  - In the meantime, Zoom meetings for us and bead along projects. If you have any fun ideas to share, please let Dianne know.
  - Thank you again to all the UFO participants.
- 
- July 4, will be the next Zoom Meeting. Please use the link that was sent to all members. We will keep it brief for the holiday. The video we will be reviewing is:

### Beaded American Flag Earrings Tutorial

<https://www.youtube.com/watch?v=gknrMCBLrls>

Note: Even if you have made flag earrings in the past please at least watch the first part of the video. These earrings by Aleshia at Beadifulnights are done in a modified square stitch that goes very fast. It is very interesting and something new to me. She also tells how to hang the flag earrings properly. Dianne

Materials needed: 2 - 5 1/2 ft. pieces of 6lb. or 8lb. Fireline - leave 10 in. tail 11/0 or 10/0 seed beads - red, white, blue, gold size 10 beading needle 2 - earring findings - I used lever backs

Hooray for the Red, White and Blue.

Stay Home, Stay Safe, Take Care, Be Well. Teresa
