2020 – Let's Wrap It Up

Hi Everyone,

Hope you all are beading up a storm and staying safe. We have one more challenge for 2020 besides just getting through the rest of the year. It is the Winter Challenge! By now, I'm pretty sure most of you have seen the wrap bracelet created by Susann Rudelius and this is the inspiration for the Winter Challenge. Many have been posted in the Facebook beading groups and our own Karen Shannon has already posted her winter wrap on our DBS page.

The challenge will be to create a holiday wrap bracelet with a winter holiday or Christmas theme and post a picture of it on our Facebook group page no later than December 5, 2020. The names will be placed in a hat and a winner will be once again drawn by our official name drawers, Liam and Luka, and a check in the amount of \$15.00 will be mailed to you.

Just to get you started, I have created some peyote Christmas items on a design board (see the picture below) which will fit a 3 beads to a row peyote strip (6 beads wide). The snowman is taller and will stick out of the top of the wrap and is added later. Most of the wraps I've seen will wrap 4 times around your wrist, but you could also do 2 or 3 wraps. You can use the items shown below or create your own, the wrap beads up quickly and is a fun project. I have also included a photo of the one I completed using Susann's original pattern.

Thanks to everyone who participated in the Fall Challenge. The winner will be announced at the November Zoom meeting. Hope to see you then.

Dianne

2021 – Let's Look Forward

If you missed the meeting last month, a vote was taken to reduce the membership for 2021 to \$20.

We recognize that the pandemic has really put a wrinkle in things and you may feel as though you've not gotten your value from DBS this year. We'd like to change that!

Thoughts are being formulated as to activities to make YOUR bead society a source for beading fun and learning.

Look for a form to be included in next month's newsletter for your membership renewal that will include a survey to ensure that the activities that we undertake will give you value until that time that we can meet again in person (at which time, we'll P-A-R-T-Y!!).

It's all... FOR THE LOVE OF BEADS.
